To Whom It May Concern:

We are writing in regards to Jim O'Dowd and the staff of Centennial Construction Management (CCM). We have recently contracted CCM to build a unique 26'x20' addition with an attached octagon sunroom. Our experience from concept, design, quote, construction and finishing were very pleasant. CCM's entire staff was courteous, respectful and knowledgeable. We were impressed throughout the project with the craftsmanship that CCM put into our addition. The end result is a beautiful expansion of our home.

We would highly recommend Jim O'Dowd and Centennial Construction Management for any construction project.

Sincerely,

Kevin E. Burke and Darla K. Burke
